Topic: Agrarian Revolution

1. List the inventions and ideas which contributed to the Agrarian (Agricultural) Revolution
2. Compare and contrast agriculture before and after the Agrarian Revolution.
3. What would have happened if enclosure had not occurred?
4. Would you rather have been able to purchase Tull's seed drill or a Rotherham's plough?
5. How would you feel if you were a farm labourer in Britain during the mid-18th century?

or

How would you feel if you invented something which significantly impacted employment?

or

How would you feel if a new invention displaced you from your home and job?

6. What is the difference between evolution and revolution?
7. Why did farming become more viable as a business in the 18th century?
8. How is the Agrarian Revolution like a wheel, a ladder, a mirror or a planet?

Active Questions:

- Make a list of questions a late 18th century farm labourer might ask a wealthy landowner.
- Make a list of questions a landowner would ask Captain Swing.
