Bloom's Taxonomy: *Beauty*

1. What is beauty?
2. List things that are beautiful.
3. Make an attribute web that summarises the features of the most beautiful person you have ever met.
4. In what ways is beauty like kindness? In what ways is it different?
5. "Beauty is in the eye of the beholder." Do you agree or disagree? Give reasons for your point of view

OR

- "Beauty is only skin deep." Do you agree or disagree? Give reasons for your point of view.
6. "Painful Beauty." Interpret this compressed analogy in any way you wish.
