

# Questivities™

## Topic: Victims and the Law

1. **List** the rights that victims have after a crime has been committed against them.
2. **Compare and contrast** the rights of victims and offenders.
3. **What would happen if** we could stop crimes before they happened?
4. **Would you rather** be the victim or the offender? Justify your answer.
5. **How would you feel** if you were the victim of crime?
6. **What** rights do you think victims should have?
7. **Why** is the concept of “innocent until proven guilty” important?
8. **How** could offenders further atone for their crimes, rather than simply being punished by the courts?

### Active Questions:

**Make a list of questions** that a victim **might ask** their attacker
