Questivities™: Year 5 HASS: *North America or Europe*

Formative oral group work.

1. Use a T-chart to list countries in North America and Europe.
2. Compare and contrast a city in North America and a city in Europe.
OR
Compare and contrast two areas (one in North America and one in Europe) with approximately the same geography and landforms.
(A Venn diagram could be used here.)
3. What would happen if all the countries of North America or Europe became one united country?
4. Would you rather live in North America or Europe? Why?
5. How would you feel if you were forced to leave one country and live in another?
6. What two countries (one on North America and one in Europe) would you most like to visit? Why?
7. Why do people prefer to live in cities rather than rural areas?
8. How has human activity affected the environment in North America or Europe?

Active Question:

You are an eco-tourist. Use the five W's to make a list of questions that prospective tourists might ask you about your job.
